Multi-Asset Growth Portfolios

Multi-Asset Growth Portfolios are actively managed portfolios of high quality investments in Australian and global equities and cash.

Private Portfolio Managers Pty Limited (PPM) is a boutique investment manager with expertise in building and managing equity portfolios for clients through individually managed accounts (IMAs) since 1995. Although each IMA portfolio is managed individually and incorporates each clients specific investment parameters and tax requirements, the aggregate characteristics of the Multi-Asset Growth Portfolios are detailed below.

Key Features

- A portfolio of directly held shares listed on the ASX and major global exchanges.
- Customisable allocation by the client or by PPM.
- Selected and managed by PPM using its proven investment process.
- Risk averse, long term approach.
- Tax aware, seeking to optimise after tax returns.
- Concentrated portfolio of high quality companies.
- Unhedged.

Investment Objective & Strategy

- Outperform MSCI (in $AUD) and ASX All Ordinaries Index over an investment cycle.
- Low long-term volatility.
- Investment process identifies strong companies and industries. Disciplined approach to valuation.
- Comprehensive, in depth research into investments.

Investor Profile

PPM's Multi-Asset Growth Portfolios are designed for clients who:

- seek a bespoke multi-asset growth portfolio;
- want the flexibility of being able to invest cash or transfer into their portfolio existing shares without triggering tax consequences;
- seek investment growth in a tax effective manner; and
- have a long-term investment horizon of at least five years and accept the risk of price fluctuations during that period.
